MEMORANDUM FOR THE RECORD

1. [] called re 1973 testimony of []
[] to be released by Nedzi. He advised he planned to
request Committee not publish some portions of the testimony --
specifically, that statement reporting []

He feels amplifying statement is not essential to the substance
of the testimony. He noted CIA had cleared this. [] will
try and stop publication of that specific if it is not too late.

2. Reported this to Director who instructed that Nedzi
be called and asked to be responsive to [] concern.
Carey advised. Advised Buffham of DCI's support and concern.
